

ELPPAG BRAND (PTY) LTD

A brand with substance

WHO WE ARE

- ELPPAG is an African brand, specializing in crafting unconventional denim and leather products that are timeless and classic.
- We cater for denim and leather aficionados and those looking for bespoke items of clothing.
- Our product is crafted, according to an individual's specifications ensuring that each customer can appreciate our raw and edgy approach to denim and leather design, which is seamlessly fused.

OUR VISION

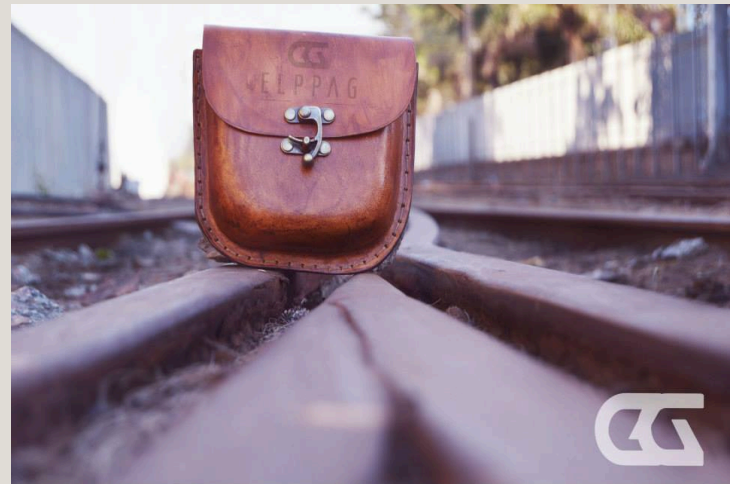

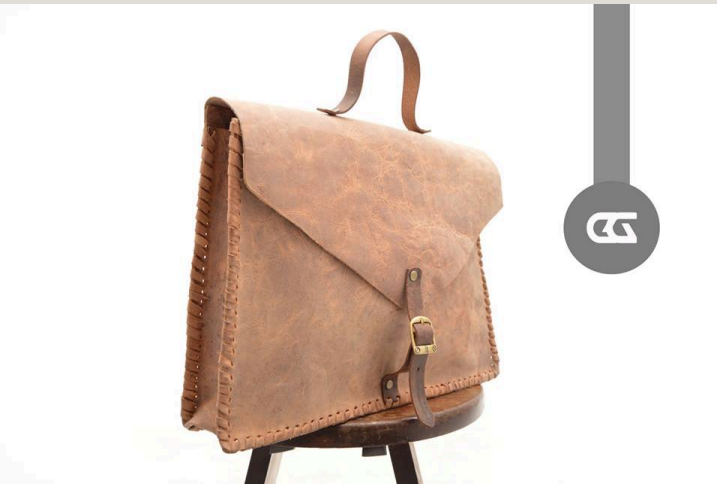

- To become a high-end internationally recognized brand, that pays attention to each clients uniqueness.
- To elevate the craft of hand made denim and leather products and making them accessible.
- Encourage self-sufficiency among young creatives.
- Ensuring the brands versatility to cater for every season.

MILESTONES

PRODUCTS

Our bags are created for function, durability and style that will suit every occasion. From a side bag, handbag, travel bag, any type of bags we create quality.

PRODUCTS

Our shoes are handmade from start to finish, we source the material from local suppliers. Every detail is carefully thought of, and patiently brought to life. We produce shoes for both male and female.

PRODUCTS

Our denim products are crafted with care and eco washed in-house. Denim fabric is one of our core medium. Almost 90% of people in the world own a pair of denim and we guarantee durability.
