Company Profile

Textilama Manufacturing Ltd was founded in 2004 with 7 visionary persons. Today, we have a committed team of about 90 trained and experienced personnel dedicated to provide exceptional services and a wide array of high quality products to our esteemed Clients.

Our professional team produces readymade garments like T- shirts, polo shirts, shorts, cardigans, skirts, kidswear and babywear. Our minimum order quantity is 300 units per colour. But we can also produce 250 units per style and colour if we have more than 1 style in the same colour and fabric.

Mission Statement

To be a market leader in the textile Industry by providing high quality products and services that can meet the Clients requirements .

Vision Statement

Excellence in quality and delivery at affordable price.
