## COMPANY PROFILE:

Your search for excellence regarding manufacturer and exporter of the following products of India leads to us. We are satisfying our customers in this field with quality products and timely delivery for the last two decades. We believe one satisfied customer leads to many more. Our mother company started around 45 years back and initially we were engaged in local supply.

In the year 1999 we have planned to start our export wings – and the Company ARN-N-ITA Handloom Export Co formed and we have started our journey of export business. We have our own weaving setups in Murshidabad District; Nadia district; Burdwan District of State West Bengal. And also having associate &/or sub-contractor partner weaving units in different parts of India like – Ludhiana; Amritsar; Bhagalpur; Varanasi & Bangalore. In all these units we make Scarves – Shawls & Fabrics of different fiber and Various count and constructions we make as per the requirement of our overseas clients.

**100% wool**

**50% silk/50% wool**

**50% fine wool/50% silk**

**70% wool/30% silk**

**50% viscose/50% wool**

**75% fine wool/15% silk/10% cashmere**

**And many more new weaves in**

**100% wool.**

**100% Silk**

**100% Cotton**

**100% Linen**

We have our own Screen-printing unit for the printing job with all the required facilities inhouse like Screen Making; Washing; Steaming & Finishing. We have special offers for the screens to our Regular clients. Below is the offer for the screen for design 1 to 5 colors.

- 1) initially 25% our share 75% for your company.
- 2) if bulk order more than. 300pc on one design we will bear additional 25% i.e. total 50%.
- 3) if order is more than 500pc in a single design we will bear additional 50% i.e. total 75%.
- 4) if order is more than 700pc in one design we will bear additional 75% i.e. total 100% free for screen.

We having our own swing units for all the needs of stitching of Kaftan; Garments as per demand of the clients – and also for the labeling; stitching etc for the packing of scarves. We have workers in house for all our packing needs – as well as for fringes and other works as needed by our clients.

We always feel that the business is a mutual interest and a chain process of working together for mutual goal. We treat ourselves as working partner for our clients and we never treat them as mere clients – because if our client grows in business we will get that benefit and our workers will also have better livelihood for themselves and for their family – it's a chain process.

**WE ARE LOOKING TO THE PAST FOR ANSWERS TO ENHANCE OUR  
GLOBAL TEXTILE INDUSTRY WHILE MINIMIZING OUR  
ENVIRONMENTAL IMPACT.**

**HANDLOOM CLOTH IS CREATED WITHOUT ELECTRICITY OR  
EMISSIONS.**

By using handloom to make one scarf, enough energy is  
saved  
to power a desktop computer for 10 hours.
