We live in an age of fashion that expects people to be unique and what better way to express this than to be yourself using fashion as a form of creative expression.

# COUTURE

We manufacture custom made designs to a client's specific requirements and measurements.

## FORMAL & LEISURE WEAR

We also offer a range of formal and leisure wear that is designed to suite different types of occasions. We at Infix believe in a philosophy that, if you look good, you'll feel great and when you feel amazing, that positive feeling is infectious and this in turn creates a paradigm shift in terms of the individuals mind set towards an overall positive outlook.

# TRADITIONAL

For traditional attire, Infix is your number one spot to visit. We create everyday functional clothing with an African twist. For those that want to make a statement, we offer bold and fearless bright colour prints.

We also that we offer our client a range of clothing that is suitable for any occasion while we maintain the African flair.
