Welcome to allFashion Sourcing Cape Town 2023

We are thrilled to extend a warm and fashionable welcome to all our distinguished visitors and exhibitors attending this year's highly anticipated allFashion Sourcing event in the beautiful city of Cape Town. After a four-year hiatus, the event promises to be a remarkable gathering of the fashion and textile sectors. With over 160 exhibitors represented from 11 different countries.

This year's event promises to be an extraordinary experience, featuring exclusive Trend Talks delivered by renowned experts from Arsutoria Italy. These insightful sessions will offer invaluable industry insights and set the stage for the future of fashion.

But that's not all – don't miss the opportunity to explore our immersive and tactile Trend Zone, where you can touch, feel, and immerse yourself in the latest trends and innovations delivered and presented by Arsutoria Italy.

The fashion and textile industry has evolved significantly during the past four years, and this event provides the perfect platform for us to come together and celebrate the progress, while also setting new benchmarks for the future. As we reunite, we are rekindling old connections and forging new ones that will shape the industry's landscape for years to come.
