Welcome to allFashion Sourcing Cape Town 2024

Dear Valued Exhibitors and Visitors, Welcome to Allfashion Sourcing 2024!

It's a true pleasure to have you with us for what promises to be an inspiring and dynamic event. While this year has brought its fair share of challenges, we are immensely proud of the incredible elements that will define this year's show.

We're thrilled to welcome back WGSN, whose insight and expertise will always remain a highlight. We eagerly await the on-Womenswear Season '25. Our Fringe program is packed with discussions on the hottest topics in the industry, from "The Journey to Sustainability" and "Supplier Enterprise Development" to the "African Continental Free Trade Area (AfCFTA) and its Impact on SMMEs" and the "African Growth and Opportunity Act." These sessions promise to spark meaningful conversations and drive impactful changes within our sector. Thank you to the IDC, our sponsor for this year's event for all of their support over the years and again this year.

A particular point of excitement is the return of our Young Designers Competition. Our top 10 rising stars are set to dazzle us with their creativity and innovation, embodying the future of fashion.

Apart from our Exhibitor Fashion Shows, we'll be introducing a new initiative—the Exhibitor Spotlight Tour on Day 3, where we will be visiting every single exhibition stand and each exhibitor will have the opportunity to talk about their offerings directly to our followers. Our show is filled with rich content and curated experiences that reflect our exceptional team's hard work and dedication.

To my wonderful team, I want to say a heartfelt thank you. Your attention to detail, professionalism, and unwavering commitment does not go unnoticed, and I am incredibly proud to host allfashion Sourcing 2024 with you.

Let's embrace the energy, the creativity, and the opportunities that lie ahead.

Here's to a successful and memorable allfashion Sourcing 2024!

Warm regards,
Melissa Lewis
