Welcome to allfashion sourcing Cape Town 2026

As we open the doors to AFS 2026 I would like to welcome all to the show. This year we have been dynamic in our approach to industry sector requirements both locally and internationally.

Alongside industry professionals, we've aligned with market needs and expectations. Each decision has been a strategic placement that serves both local and internationally.

We extend our gratitude and heartfelt thanks to our valued partners, sponsors, and to each of our exhibitors from near and far – the insight, innovation, high energy and inspiration is seen on the exhibition floor. With your participation it enriches the AFS Show.

We are proud to welcome back national and international pavilions from the Eastern Cape, Lesotho, China, India, Vietnam and Germany. The continued support shows your confidence in the show.

A warm welcome to Uzbekistan pavilion.

Our curated keynote addresses and panel discussions are industry aligned with a wealth of knowledge to grant insight for all attendees – from student, supplier, manufacturer, designer, retailer, buyer and sourcing.

A special note of appreciation goes to our colleagues and partners from China, CPT, and CCPITex — thank you for your dedication and collaboration. To all involved: your efforts are felt and deeply appreciated.

This event is the only one of its kind in South Africa — a trade fair with a clear purpose: to serve, support, and promote the growth of our industry, both locally and globally.

My personal wish for Allfashion Sourcing is that we grow the show to evolve alongside local and international industry.

To my phenomenal team — thank you for your insight, guidance, knowledge, perseverance, strength and fortitude in putting the AFS 2026 show together. I am extremely proud of you.

Let's keep leading the industry with our dynamic approach.
