## SHOW HIGHLIGHTS

## ARSUTORIA TREND TALKS

ARSUTORIA hosted captivating trend talks for the upcoming season 24/25, offering valuable insights into both menswear and womenswear. These talks served as a beacon of inspiration, providing a glimpse into the exciting fashion trends that will shape the industry in the near future. Attendees were treated to a comprehensive exploration of cutting-edge styles, materials, and design concepts, reaffirming ARSUTORIA's position as a trusted authority in fashion forecasting.

# YOUNG DESIGNER COMPETITION FINALE

The Young Designers Competition at allfashion Sourcing was a thrilling showcase of emerging talent and creativity in the fashion world. It provided a platform for budding designers to shine, and the results were nothing short of remarkable. From avant-garde creations to designs rooted in tradition, the competition celebrated diversity and innovation in fashion. Oyama Gonuntebe emerged as the well-deserved winner, captivating us all with their unique vision and craftsmanship. We extend our gratitude to all the talented participants who made this competition an unforgettable journey into the future of fashion. This event reaffirmed our belief that the fashion industry is in capable hands with these young designers leading the way towards new horizons of style and expression. Stay tuned for more from these rising stars and the exciting evolution of fashion.
